### **SPECIAL DELIVERY**

Hear another story of God's gracious provision. Although Tom and Sue had used WMP Scripture Booklets around the world, the booklets were unavailable to them in the Dominican Republic. As they followed a truck loaded with boxes strapped on, two boxes suddenly flew off the truck, rolled end over end, and landed in a field. Tom stopped and went to retrieve the boxes recognizing what they were.

Tom and Sue followed the trucker until he pulled into a gas station. Tom explained that they wanted to return the boxes. The trucker replied that he was taking the load of material to another city for distribution and evangelism. He said they could keep those two specially delivered boxes and even have more if needed. Tom and his wife rejoiced that God has given them over 1000 booklets to use in their work.

### **STANDING STRONG**

God gives His children strength in difficult circumstances. Edward is a pastor in Sweden who distributes Scripture booklets from World Missionary Press. He faced pressure from the national church to adapt the truth of God's Word to the current culture, especially regarding biblical marriage. However, he and his congregation stood firm, refusing to change the gospel message in order to satisfy the culture. When the national church heard their response, they removed all support and took away their church building, leaving them with nowhere to meet. Soon, though, God provided a 130-year-old church building for them to buy. They rejoiced in God's provision of a permanent meeting place that was centrally located in their city. Now they could easily share Scripture booklets with their community.

### **BOOKLET INTRODUCES A FAMILY TO THE LOVE OF JESUS**

God fills hurting hearts with love. Richard grew up in a broken home. He dropped out of school and lived on the streets at age 12. Then at 18 years old, he went to prison for 27 years. This was a dark time for Richard. He felt useless. He had no love for others, and he did not believe anyone loved him either. Then he came across a Scripture booklet from World Missionary Press. It filled his heart with love, and he realized that he was not useless after all. God loved him and had a special purpose for him. Richard started sharing this love with other prisoners so that they too could find hope in Jesus. Today, years later, Richard is thankful for his time in prison because there he met Jesus.

### **FROM DARKNESS INTO LIGHT**

The Word of God frees those trapped in sin's power. Although Brazil is mostly a Catholic nation, witchcraft has a long history there as well, starting with the slave trade from Africa in the 1500s. Slaves brought their traditional religions with them, passing them down to future generations. Now their descendants still practice witchcraft as part of their heritage. But Scripture booklets from World Missionary Press are bringing light into this darkness. One pastor was able to plant six new churches in northeastern Brazil, each with over 100 new believers, after the Word of God transformed the region for Christ. Two of these churches used to be witchcraft centers. Now, instead of lost souls serving sin, these buildings are full of redeemed souls praising God.

### **THE STEPS OF A GOOD MAN**

We can always trust God to lead us. Francisco travels the world sharing Jesus' love with Scripture booklets from World Missionary Press. Once he was distributing booklets in Aruba with Dutch Scripture booklets. When it came time to return home to Brazil, he had four boxes left over. He wanted to give them to a church, but there were many churches in the area he could choose from. So, he prayed that God would direct him to the right one. That Sunday he visited a local church and told the pastor about the boxes. The pastor told him that the next day he was traveling to Surinam to plant churches, and he needed Dutch gospel literature. Francisco rejoiced in seeing God's hand leading Him to the right church at the right time.

### **HIDDEN TREASURE IN THE BASEMENT**

Lacy W. was 20 years old on his first mission trip to Russia. It was his first introduction to World Missionary Press Scripture Booklets, literature evangelism and world evangelism. Twenty-Nine years later, Lacy, now a missionary to Mexico bought the old church building of the church that sent him to Russia. In the basement, He found seven boxes of WMP scripture booklets in the Russian language. His staff began to pray how they could get this literature to the Ukraine. One day another missionary happened to mention that he sent two pallets of blankets to the Ukraine. Lacy contacted the church sending the pallets, and arranged to send the booklets to the Ukraine. The booklets were 27 years old, but in good condition. God knew that somebody in this war torn country would need his Word in 2023.
